Annual Reports

Of The
Town Officers
For
1977

1977 TOWN REPORT

University of New Hampshire Library

HAVERHILL, N.H.

1763-1977

FIVE HAVERHILLS

This report has been put together through the efforts of your local public officials, and is intended to serve as a permanent record of the events and transactions which have occurred during this past year 1977.

As you can see, a new format has been tried this year and it is our hope that you will find this report more informative and readable than in years past. A change in format was mandated this year because of the amount of information which we have been required to print and the costs involved in printing and binding under the old method.

Several individuals have participated in the preparation of this publication. Our thanks are gratefully extended to Dawn Kennedy, Patti Klark and Susan F. Holden for the interest, cooperation and hard work which they have contributed to this report. We would also like to thank Chip Waterman for his contribution of the pictures which appear on the front cover and at the beginning of the report. Thanks also goes to the Courier Printing Company of Littleton for a well printed report that was ready when needed.

Last, but not least, we would like to thank all the local town officials who have provided the information which has been printed in this report, for without their efforts there would be no report.

SELECTMEN OF HAVERHILL

ADMINISTRATIVE
ASSISTANT TO THE
SELECTMEN

Daniel C. Ayer

Of nearly 175,000 towns and localities listed in the World Atlas there are only five by the name of HAVERHILL, an English name. Haverhill, England is a market town in Essex County, 18 miles south of Cambridge. It is chiefly one long street with large shops, well kept estates, pretty homes with beautiful lawns, and some very wealthy families. How these other Haverhills came into being is of peculiar interest to the residents of Haverhill, New Hampshire at this time.

Rev. Nathaniel Ward came to New England in 1634 from Haverhill, England, and became pastor of the church at Ipswich in the Massachusetts Bay Colony. His son, John Ward, was born in Haverhill, England in 1606. After completing his education there, he followed his father to New England in 1639, where he hoped to have a church, with the help of his father.

After a year, during which the young man had received no call, the father proposed a new settlement on the Merrimack at a place then called Pentucket. Twelve families from Ipswich and Newbury were persuaded to start building new homes there. This settlement grew rapidly, and in October 1641, Rev. John Ward became their first minister.

The Indian name Pentucket was soon changed to Haverhill in honor of their first minister, and of his English birthplace. Clearly Haverhill, England was a township in 1606, and probably much earlier. Haverhill, Massachusetts dates from about 1641. A period of nearly a century and a quarter elapsed before the next Haverhill was founded.

1978
ANNUAL TOWN MEETING WARRANT
State of New Hampshire

To the inhabitants of the Town of Haverhill, in the County of Grafton, and State of New Hampshire qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in North Haverhill, in said Town on Tuesday, March 14, 1978 at eight o'clock in the forenoon to act on the following matters. Article 1 will be decided by written ballot. The polling booths will be open from 8:00 a.m. to 6:00 p.m. for voting on this Article. At 6:00 p.m., the meeting will adjourn to reconvene at 8:00 o'clock p.m. at the James R. Morrill School Auditorium in North Haverhill, said Town of Haverhill, for consideration of the remaining articles in the warrant.

ARTICLE 1: To choose by a non-partisan ballot one Selectman for a term of three (3) years, a Town Clerk for a term of one (1) year, a Treasurer for a term of one (1) year, a Trustee of Trust Funds for a term of three (3) years, a Highway Agent for a term of one (1) year, a Moderator for a term of two (2) years, and one Supervisor of the Checklist for a term of six (6) years.

ARTICLE 2: To announce the results of the balloting.

ARTICLE 3: To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other Town Officers and committees heretofore chosen and to pass any vote relating thereto.

ARTICLE 4: To choose one or more Auditors, for a term of one (1) year, two Library Trustees, one for a term of three (3) years and one for a term of one (1) year, one Cemetery Commissioner for a term

of five (5) years and all other necessary Town Officers.

ARTICLE 5: To see if the Town will vote to contribute funds for the construction of Class V Highways, as provided in Chapter 241 RSA, as amended.

ARTICLE 6: To see if the Town will vote to authorize the Selectmen to issue interest-bearing notes or orders in anticipation of taxes, to provide for expenses of the current year.

ARTICLE 7: To see if the Town will vote to authorize the Selectmen to accept, appropriate and expend gifts of Federal or State aid, in the name of the Town of Haverhill.

ARTICLE 8: To see if the Town will vote to authorize the Selectmen to distribute inventory blanks by mail, or at the same time they examine the taxable property.

ARTICLE 9: To see if the Town will vote to authorize the Selectmen to administer, or to sell real estate acquired by the Town through Tax Collector's Deed, by Public Auction Sale or by advertising for sealed bids, except that the Selectmen would be empowered effective September 13, 1977 to make one last offer to the person who was divested of his property and a late redemption would be allowed upon payment of all taxes, costs, and interest.

ARTICLE 10: To see if the Town will vote to appoint or elect a Budget Committee to supervise the appropriations of the Town, and to recommend to the next annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

ARTICLE 11: To see if the Town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for support of the Town as recommended by the Budget Committee in

its report, to raise and appropriate all sums so determined for said purposes, and to pass any other vote relating thereto.

ARTICLE 12: To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the Provisions of the State and Local Assistance Act of 1972 for use as set offs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon;

<u>APPROPRIATION</u>	<u>AMOUNT</u>
Ambulance	\$ 3,000.00
Senior Citizens (meals on wheels)	<u>5,000.00</u>
<u>TOTAL</u>	\$ 8,000.00

ARTICLE 13: To see if the Town will vote to authorize the Selectmen to contract for the construction of a new Town Maintenance Garage, to be located on Town owned land adjacent to the Airport for a cost not to exceed Thirty Thousand (\$30,000.00) Dollars, and to allow the Selectmen to give notes and bonds for said purpose until such time as the money can be raised by taxes in the years 1979, 1980, and 1981.

ARTICLE 14: To see if the Town will authorize the Selectmen to sell or dispose of the Town Hall and former Town Clerk's Building and all Town owned land relating thereto. Such sale or disposal of said property to be contingent upon the successful completion of a new Town Maintenance Building. All proceeds from the sale of said property to be used as set-offs against debt incurred in the construction of a new Town Maintenance Building.

ARTICLE 15: To see if the Town shall adopt the provisions of RSA 72:43-B and 43-C for expanded

exemptions on real estate which provides for a resident 65 years of age up to 75, a \$5,000.00 exemption; a resident 75 years of age up to 80, a \$10,000.00 exemption; a resident 80 years of age or older, a \$20,000.00 exemption. Provided, however, that the resident owns the real estate individually or jointly with another, or his spouse with whom he has been living for at least five (5) years as man and wife; said resident had a net income of less than \$7,000.00 or combined income with spouse of less than \$9,000.00, and owns assets of any kind, tangible or intangible, less bona fide encumbrances, not in excess of Fifty Thousand (\$50,000.00) Dollars.

ARTICLE 16: To see if the Town will vote to raise, appropriate and contribute the sum of Eleven Thousand Three Hundred Fifty (\$11,350.00) Dollars to the Cottage Hospital.

ARTICLE 17: To see if the Town of Haverhill will vote to adopt the following resolutions:

WHEREAS, there is determined to be the need for a housing commission in the Town of Haverhill. Now, therefore, in accordance with Section 4 of Chapter 203 at seq. of New Hampshire Revised Statutes Annotated; and in accord with the foregoing finding of need, there is hereby created a Municipal Housing Commission for the Town of Haverhill, with all the powers and authority granted by said Chapter 203.

ARTICLE 18: To transact any other business proper to come before said meeting.

Given under our Hands and Seals this 13th day of February, A. D., 1978.

Winthrop W. Klark
Richard G. Kinder
John Fullerton

(Articles may be added or amended up to time official warrant is posted.)

ANNUAL TOWN MEETING
March 8, 1977

The polls at the Town Hall were opened at 8:00 A.M., by Moderator Richard Rutherford, reading Article 1.

Article 1. To choose by a non-partisan ballot one selectman for a term of three (3) years, a Town Clerk for a term of one (1) year, a Town Treasurer for a term of one (1) year, a Trustee of Trust Funds for a term of three (3) years, a Highway Agent for a term on one (1) year, and a Tax Collector for a term of one (1) year.

The polls were open until 6:00 P.M. for voting on this article. At 6:00 P.M. the meeting was adjourned until 8:00 P.M. to be reopened at the James R. Morrill Elementary School Auditorium, for consideration of the remaining articles in the Warrant. 820
Haverhill residents cast their ballots.

Article 2. To announce the results of the balloting.

Town Clerk - Helen M. Smith	803	Trustee of Trust Funds - Mildred Heath	759
Tax Collector - Norma Lavoie	769	Road Agent - Robert Maccini	281
Selectman - John Fullerton, Sr.	411	William Horne	260
Roger Wells	389	Maurice Naylor	190
		Lionel Smith	82

The officers that were elected were sworn in by the Moderator, Richard Rutherford.

Article 3. To Hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other Town Officers and Committees heretofore chosen and to pass any vote relating thereto. (5)

Paul LaMott moved the reports be accepted as printed in the town report. Richard Little seconded the motion. It was so adopted.

Article 4. To choose one or more Auditors, one Library Trustee for a term of three (3) years, one Cemetery Commission for the term of five (5) years and all other necessary Town Officers.

Clark Ingalls made the motion that Roland Clough be elected Auditor. Mabel Billings seconded the motion. 1 year term.

Richard Kinder made the motion that Evangalyn Anderson be elected as second Auditor. Larry Fournier Seconded the motion. 1 year term.

Ezra B. Mann II made the motion that Nina Mitchell be elected Library Trustee. James Hood seconded the motion. 3 year term.

Roland Clough made the motion that Paul Ricker be elected as Cemetery Commissioner. William Coon seconded the motion. 5 year term.

The Clerk cast one ballot for each person. Moderator swore in elected officers.

Ezra B. Mann II made the motion that the Selectmen appoint all the other necessary Town Officers. Everett Sawyer seconded the motion. It was so voted by voice vote.

Article 5. To see of the Town will vote to contribute funds for the construction of Class V Highways, as provided in Chapter 241 RSA, as amended.

Ezra B. Mann II moved the article be accepted as written, Robert Lane seconded the motion. It was so adopted.

Article 6. To see if the Town will Vote to authorize the Selectmen to issue interest-bearing notes or orders in anticipation of taxes, to provide for expenses of the current year.

Ezra B. Mann, II Moved the article be accepted as written, Robert Lane Seconded the motion. It was so adopted.

Article 7. To see if the Town will vote to authorize the Selectmen to accept gifts of Federal or State Aid, in the name of the Town of Haverhill.

Larry Fournier moved the article be accepted as written, John Cobb seconded the motion. It was so adopted.

Article 8. To see if the Town will vote to authorize the Selectmen to distribute inventory blanks by mail, or at the same time they examine the taxable property.

Jmaes Hood moved the article be accepted as written, Paul LaMott seconded the motion It was so adopted.

Article 9. To see if the Town will vote to authorize the Selectmen to administer, or to sell real estate acquired by the Town through Tax Collector's deed, by public auction sale or by advertising for sealed bids.

Ronald Aldrich moved the article be accepted as written, Robert Lane seconded the motion. It was so adopted.

Article 10. To see if the Town will vote to appoint or elect a Budget Committee to supervise the appropriations of the Town, and to recommend to the next annual Town meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Ezra B. Mann, II made the motion that the Moderator appoint a Budget Committee, Francis Lackie seconded the motion. It was so adopted.

Article 11. To see if the Town will vote to make any alterations in the amount of money to be raised and appropriated for the ensuing year for support of the Town as recommended by the Budget Committee in it's report, to raise and appropriate all sums so determined for said purposes, and to pass any other vote relating thereto.

Richard Kinder made the motion that the 1977 budget be approved (\$427,913.14). Ezra Mann, II seconded the motion. The budget was approved on a voice vot.

Article 12. To see if the Town will vote to authorize with drawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a setoff against the following debt service incurred for "priority expenditures" since January 1, 1972: Purpose the 1974 Court House purchase-- amount: \$10,000.00.

James Hood moved the article be accepted as written, Robert Lane seconded the motion. It was so adopted.

Article 13. To see if the Town will to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriations for the following priority purposes and in amounts indicated or take any other action hereon:

<u>Appropriation</u>	<u>Amount</u>
<u>Libraries</u>	<u>5,000.</u>
Police	4,500.
White Mt. Community Services	2,000.
North Country Home Health	3,700.
Town Maintenance	6,800.
Bridge Construction	5,000.
Senior Citizens	5,000

Paul LaMott moved the article be accepted as written. Mable Billings seconded the motion. Dale Lewis moved the article be amended, the Police fund of (\$4,500.) be withdrawn. Moderator explained this could not be done, because the budget has all ready been passed. This article was adopted as written.

Article 14. To see if the Town will vote to raise, appropriate and contribute the sum of eleven thousand three hundred and fifty (11,350) dollars to the Cottage Hospital.

Edward Patten moved the article be accepted as written. Richard Abbott seconded the motion. Mrs. Karl Boemig moved the article be amended to cut the appropriation by 10%. Mr. Boemig seconded the motion. This amendment was defeated by a voice vote.

Mabel Billings stated, she felt that the hospital should account for all the monies given to it by the Town.

Edward Patten replied that the hospital did make an account of the money in their published annual report, and he indicated that the report would be placed in the town report next year.

This article was passed as written, by a voice vote.

Article 15. To see if the Town will vote to authorize the Selectmen to contract with the State of New Hampshire for the purchase of the old State Garage located in North Haverhill for the sum of eleven thousand (11,000) dollars. Payable eleven thousand (11,000) dollars this year 1977. The building would be used for storage of Town property and additional storage for town maintenance trucks and equipment.

Richard Little made the motion that this building not be bought. M.K. Boemig seconded the motion.

On a voice vote it was voted not to buy the building.

Article 16. To see if the Town will vote to adopt the following resolution:

Be it resolved by the Town of Haverhill, N.H. that the said New Hampshire Housing Commission be and is authorized to sponsor additional units of existing standard housing for elderly low income persons, under Section 8 of the U.S. Housing Act of 1937, as amended, the total amount of the foregoing not to exceed 25 dwelling units in the Town of Haverhill, N.H.

Ezra Mann, II moved the article, Madeline Haynes seconded it.

Edward Young made the motion the article be amended to 50 dwelling units for elderly low income persons. George Webster seconded the motion. This amended was defeated by a voice vote. This article was passed as written.

Article 17. To see if the Town will vote to appoint or elect a Road Agent to supervise all town maintenance functions of the Town. The Road Agent would be hired by and accountable to the Board of Selectmen and serve at the pleasure of the Board.

Ezra Mann, II moved this article be tabled. Paul LaMott seconded the motion. This article was so voted.

Article 18. To transact any other business proper to come before said meeting.

Archie Steenburgh recommended that the article on appropriations be the last article of business.

This meeting was adjourned at 10:05 P.M.

Respectfully submitted
Helen M. Smith
Town Clerk

A true copy, Attest:
Helen M. Smith

SPECIAL TOWN MEETING
September 8, 1977

Richard Rutherford opened the meeting at 8:00 P.M. by reading the Warrant.

Article 1. To see if the Town will vote to authorize the New Hampshire Housing Commission or Department of Housing and Urban Development to sponsor up to forty (40) units of substantially rehabilitated housing units for elderly, low income persons pursuant to section eight of the United States Housing Act of 1937, as amended, which authorization, if granted, is to be in addition to any authorizations granted at prior town meetings. Mr. Rutherford called for Winthrop Klark to explain, and give the crowd some foresight into this article.

Benjamin Rae and John Bittner, or better known as, Rae and Bittner Associates, showed slides of other old buildings that they rennovated. Before and after.

After much discussion, Ezra B. Mann, II moved the article be accepted. A. Frank Stiegler, Jr. seconded the motion.

The article was adopted by a ballot vote. Total ballots cast was 72. Yes 52 and No 20.

The meeting was adjourned at 9:30 P.M.

A true copy, Attest:
Helen M. Smith

Respectfully submitted
Helen M. Smith

REPORT OF THE SELECTMEN

TO THE TAXPAYERS & CITIZENS OF HAVERHILL:

Another year has slipped past and again it is a privilege to report to you some of the more significant events that have taken place in our town. Each new year presents its own routine business as well as its share of unanticipated situations and 1977 was no exception.

It was extremely gratifying to finally see the water supply system at the Mountain Lakes District become operational and thus insure the residents there of an adequate supply of high quality water. Primarily responsible for this was Administrative Assistant Dan Ayer who managed and coordinated the construction and expenditure of the funds held in escrow for this project. Engineering assistance was provided by the firm of Hoyle, Tanner & Company of Manchester, New Hampshire. Thus, after many delays and disappointments, the town commitment is fulfilled to the Mountain Lakes residents, the state agencies involved, and the Mountain Springs Water Company.

A longstanding highway problem on the town road at Sinclair Hill was resolved through the exchange of two small parcels of land between the town and Ralph Wright. The road adjacent to the Wright residence at the top of the hill and the hill itself have long been a recurring and expensive problem due to poor drainage, washing and erosion. Relocation of a short portion of the road, gravelling and installation of culverts and proper drainage have

REPORT OF THE SELECTMEN CONTINUED...

apparently taken care of the situation.

Also, in the area of highway improvement, mention should be made of the bridge reconstruction at Daniels Hill Road and Jeffers Hill Road. Replacement of the Jeffers Hill Bridge was a scheduled project, but the critical condition of the Daniels Road Bridge dictated that its replacement receive top priority and the work be undertaken earlier than anticipated. Some hard bargaining by Administrative Assistant Dan Ayer and Road Agent Bob Maccini resulted in substantial savings on the purchase of structural steel and other materials for the two bridges. Bob's past experience also made possible considerable savings on the actual construction and concrete work. When the Jeffers Hill Bridge is completed in the spring of '78, the town will have two new bridges for a little more than the estimated cost of the Jeffers Hill Bridge alone.

Wayne Fortier's resignation was tendered in order to satisfy his long-time ambition to become a trooper with the New Hampshire State Police and necessitated the search for a new Chief of Police. Preliminary recruiting was done by the New Hampshire Municipal Association and the Selectmen interviewed several of those apparently best qualified. Our choice was Steve Savage, whose exceptional background and experience seemed to fit the need of the town.

REPORT OF THE SELECTMEN CONTINUED...

A Special Town Meeting was held for the purpose of approving an additional forty units of elderly low income housing for the town. An affirmative vote at this meeting paved the way for the beginning of the Rehabilitation Project of the Opera Block as proposed by Rae, Bitner, Inc. of Newton, Massachusetts. This will be a model project for this type of housing in New Hampshire. Although plagued by several delays and interruptions, a recent meeting of developers of town, county, state, federal and congressional representatives appear to have resolved the funding problems which were the primary obstacles to starting the project.

The numerous appeals of assessments of the Mountain Lakes District prompted an order from the State Board of Taxation that this area be reassessed. This was done by the state assessors. The resulting reduction in valuation should not have a significant impact on the financial condition of the town. In fact, the board feels that the town is in a good financial state. Even though a substantial increase in the school tax rate is forthcoming, we hope that the town rate will show a reduction for the year. Much depends on the amount of revenue coming to the town from state and federal sources. Expenditures for 1977 were approximately \$10,000 under budget, this under-draft being the first in several years.

A start has been made toward the future development of the town land adjacent to the airport as an Industrial Park. Application has been made to the EDA for a grant for the preliminary study and engineering. Word has come from Senator Durkin's offices

REPORT OF THE SELECTMEN CONTINUED...

that this should be received in February. The Board is also pleased to announce the adoption of a Personnel Plan covering all town employees. This should provide a high degree of stability and professionalism in future relations between town officials and employees.

The Selectmen ask your support of the article in the warrant to approve funding of a new town maintenance building. The present facilities are inadequate and we believe new quarters can be provided without any great additional financial burden reflected in the tax rate in 1979 and after. Details of this proposal will be explained in discussion under the article.

After his first full year as Administrative Assistant to the Selectmen, the board would like to take this opportunity to publicly commend Dan Ayer for the super job he is doing. He has given of his time and effort over and above the requirements of his position. Representing the board, he has handled several sensitive situations and emergencies with professionalism and concern. Most of all, he has conducted the everyday business of the town in a manner that three part-time people are unable to do, giving our residents a high degree of responsiveness and service.

Finally, the Selectmen would like to thank all Haverhill residents for their cooperation, understanding and constructive criticism. We hope you will favor us with more of the same in 1978.

WINTHROP W. KLARK
RICHARD G. KINDER
JOHN FULLERTON

REPORT OF THE ADMISISTRATIVE ASSISTANT
1977

To the citizens and taxpayers of Haverhill:

In many ways 1977 has been a year of change. The election of a new selectman and road agent, the appointment of a new police chief, and it was my first full year on the job as Haverhills full time administrative assistant. Along with these changes has come progress in many areas; housing and the needs of the elderly, stimulation of industrial growth, revitalization of the Mt. Lakes area and, in general, an effort has been made under the guidance of the Selectmen to make your local government more sensitive and responsive to local needs.

The town of Haverhill has many assets of which to be proud, its natural beauty, its strong work ethic, and its willingness to cooperate with town officials to make Haverhill a better place to live, to work and to play. But, one thing which has bothered me for quite sometime is the adverse conditions under which we have allowed the road crew to labor.

The town maintenance crew has done an outstanding job this past year under the direction of Bob Maccini, and I am sure even more improvement will be evident in 1978. I would ask that you please lend your support to Articles 13 & 14 in this years warrant. Something must be done now about the present town maintenance building.

Chief Savage took charge of the police department in April of 1977 and I would like to take this opportunity to thank he and the entire police department for the efficient and professional service which they have provided the town of Haverhill over this past year. As a result of the work done by

the department, I feel that the townspeople are now more aware of the problems and responsibilities of the police on a day to day basis. I also believe that members of the department now have a better understanding of the peoples problems and grievances.

My position, with the town, has given me an opportunity to travel and talk with people in many sections of this state. The one observation which I have made is that the town of Haverhill's elected officials do not take a back seat to anyone. I feel this is a great accomplishment of which we should be very proud. It speaks very highly for the democratic process and the town meeting form of government to see people giving of their time and energy so freely for so little.

In closing out this report I sincerely appreciate the continued support and cooperation which has been extended to me over the past year by the Board of Selectmen, my fellow town employees and most of all by you the citizens and taxpayers of Haverhill.

Respectfully submitted,
Daniel C. Ayer,
Administrative Assistant
to the Board of Selectmen

REPORT OF THE HAVERHILL POLICE DEPARTMENT

To The Selectmen of Haverhill:

Herein I submit my report for the year ending December 31, 1977:

Motor Vehicle Stops	613
Motor Vehicle Warnings	82
Defective Equipment Tags	39
Reported Accidents	90
Traffic Citations Issued	201
D.W.I. Arrests	29

Untimely Deaths	7
Attempted Suicides	2
Aids Rendered	66
Bomb Scares	2
Fish & Game Complaints	10

The Department would like to extend its appreciation to the Board of Selectmen and all residents of the Town of Haverhill for their continuous cooperation and unfailing support during 1977.

The year, 1977, produced many internal changes within the Department and, I feel, created a more

harmonious relationship between residents and the Department. Our overall efficiency and morale was greatly enhanced with the addition of Susan Holden as Police Secretary/Recordkeeper under a New Hampshire Governor's Crime Commission Grant and Police Officer, Richard Henson, under a C.E.T.A. grant.

The Department has been able to completely change over the Records Section and has instituted Uniform Crime Reports in accordance with Federal and State guidelines.

As part of the Department rebuilding process, we implemented a general open-door policy, an October Ride-Along Program and continuous publication of police news in an effort to induce greater communication between the police and the community.

Program success and a well-received Police Department directly affect the efficiency and morale of the members of the Department. Conversely, the professional approach of the Haverhill Police Department in handling citizen requests and police matters is directly related to citizen support of the Department.

It is, therefore, absolutely essential that the Police Department continuously provide efficient, fair service to its constituents and to strive to maintain the confidence and respect of the people.

I pledge to the citizens of Haverhill to continue to bring to them better police service and increased professionalism through the future.

COTTAGE HOSPITAL REPORT

Dear Taxpayers:

The Cottage Hospital respectfully requests that an Article be placed in your Town Warrant for 1978 to appropriate the sum of \$11,350.00 as Haverhill's contribution to capital expenditures for the hospital in the coming year.

Three copies of our Annual Report for the year ending September 30, 1977, are enclosed; you will note that the hospital ended its year with a balanced budget, showing a slight gain. More important than this, the increased capabilities of the institution with the addition of three new staff physicians, the installation of cardiac and respiratory monitors, a major up-dating in the x-ray department and various other additions in equipment have greatly enhanced the hospital ability to provide good health care for the residents of your town. Contributions from the towns made possible the purchase of the cardiac monitors, a radiant warmer for newborn infants, and an automated chemistry analyzer as cited in last year's request. The Town of Haverhill's appropriation at last year's Town Meeting included \$11,350.00 for this equipment.

During the past year 563 residents of the Town of Haverhill were admitted to the hospital for treatment, representing 41.80% of the total occupancy. Our request reflects the use of the hospital by Haverhill residents.

COTTAGE HOSPITAL REPORT CONTINUED...

These funds would be used only for capital improvements and the purchase of major equipment, including:

- A new, sophisticated microscope for general laboratory work,
- An electric examining table to be installed in the examining room,
- A surgical cauterization unit and other surgical equipment,
- A new anesthesia machine.

The inclusion of this item in the Warrant will be greatly appreciated, and will help to insure high quality care and expanded capabilities in our community's hospital. If you have any questions or require further information, please do not hesitate to call on me.

Sincerely yours,
Signa Carbee, Chairperson
Board of Trustees

COTTAGE HOSPITAL VOLUNTEER AMBULANCE

FINANCIAL REPORT

June 1, 1976 to June 1, 1977

Cottage Hospital

8760 Hours of Emergency Mental Health Coverage were
provided to all residents.

Dear Tax Payers:

White Mountain Community Services continues to provide direct services to area hospitals. Reports to us from the medical and hospital staff acknowledge the help this effort on our part has been to them. We are continuing to consult with school personnel and provide follow-up counseling care. We continue to service people directly so as to prevent admission to the New Hampshire Hospital from your area. In this respect, area residents are involved in our Day Treatment Program which provides structured group activities in the local community as well as outpatient counseling. Both these services are provided at substantial savings compared to the cost of State Hospital care. In addition, we are currently implementing new clinical services for both children and elderly - two groups that have not received as much attention as they should have in the past.

In conclusion, we are grateful to you and your townspeople for their support in the past. We realize no single town can afford the level of mental health services needed and available to the citizens of the North Country. However, if each town is willing to vote its full share to help further this cause then all of our citizens benefit. In this respect, let me point out that our request to Grafton County this coming year will be substantially reduced from last year in that we are planning to go to a fee for service contract in relation to the County Home and Jail. What this means in essence is that we have agreed to deliver a certain number of hours of service to these two facilities according to the fee structure set by the State of New Hampshire. Hopefully, this eliminates the double taxation issue we were caught up in last year in that we are no longer requesting a block grant from the County. Because our request to the County is lower, we need every local dollar we can secure. Accordingly, we need your help and hope you will speak and act in favor of our request.

Milton T. Bratz, Ph.D.,
Executive Director

NORTH COUNTRY HOME HEALTH AGENCY

ANNUAL REPORT 1977

North Country Home Health Agency, with its main office at 60 High Street, Littleton, and satellite offices in Cottage Hospital and Linwood Medical Center, provides services aimed at prevention, intervention and control of disease. This Agency serves the residents of 15 towns in a 1200 square mile area in the North Country.

Services performed in 1977 were as follows:

8457 Skilled Nursing Care visits to patients in their homes. These include the chronically ill; short term care following hospitalization or acute care in place of hospitalization; visits to newborns and mothers; diet and nutrition teaching; follow-up visits from clinic settings; and assistance in institutional placement when necessary.

8685 Homemaker/Home Health Aide Visits, representing 9,000 hours. The purpose of this service is to maintain people in their own homes through assistance with personal care, light housekeeping and meal preparation; performing ancillary nursing services.

62 Physical Therapy visits to homebound patients.

407 Health Promotion visits. These visits are for assessment and evaluation of a person's needs and/or problems.

Public Health Activities, aimed at prevention, were as follows:

17 Immunization clinics for pre-school children. 695 children were immunized.

2 Lead level screening clinics for all ages, at which 154 persons were seen.

6 Dental screening clinics for pre-school children with an attendance of 294.

4 Crippled Children's clinics, co-sponsored by New Hampshire Division of Public Health, for area residents under 18. 106 children were seen.

5 Well-child clinics which provided physical exams for pre-school children of low-income families. 64 children attended.

4 Adult health screening clinics sponsored jointly with the statewide and local Lions Club. 525 adults over 18 were seen.

This agency is approved by Medicare and the New Hampshire Department of Public Health as a certified provider of home care services. The Board of Directors is composed of volunteer members representing the towns served. It is a non-profit agency and monies received are returned in direct services to residents of the 15 towns.

Services to Haverhill Residents in 1977 were as follows:

1755 Skilled Nursing Care Visits; 18 Physical Therapy Visits; 1090 Hours of Home Health Aide Service and 422 hours of Homemaking; 46 Health Promotion Visits; 51 visits to Newborns and their mothers. Haverhill residents may attend any of the clinics listed above at no charge.

1977 REPORT OF THE HAVERHILL PLANNING BOARD

The Planning Board meets on the third Tuesday of each month primarily to consider applications for the subdivision of land as provided under the Town Subdivision Regulations.

Fifteen applications were considered, of which ten were approved creating twenty-two new house lots and three trailer sites. Two applications are now pending further information and three were denied as presented.

Upon receipt of an application and plan, the board must hold a public hearing. If the application meets the requirements of the subdivision regulations, then the plan is approved by a vote of the Planning Board.

During this past year the board has held hearings in Haverhill Corner, East Haverhill and North Haverhill Sections of town as well as Woodsville. The purpose of these meetings was to take information and public input in order to help the board lay the groundwork for a Town Plan. These meetings were not as well attended as had been hoped, but some input was obtained to be used in future planning efforts.

Subdivision regulations are intended to insure reasonable lot layout, safe roads, consideration of soil capability, topography and drainage, but are only a tool in the planning process. The board hopes to work with interested individuals to learn what is wanted by the townspeople for Haverhill's future.

PLANNING BOARD REPORT CONTINUED...

The Planning Board welcomes suggestions and encourages all to work with us to plan for the orderly growth and land use.

THE HAVERHILL PLANNING BOARD

William Hall, Chairman	Richard G. Kinder
Timothy J. McKenna, Secretary	Richard Fabrizio
Lorree C. Stoddard	Mary Campbell
Pat Roy	

REPORT OF NORTH COUNTRY COUNCIL, INC.

In Haverhill, NCC helped prepare both the preapplication and application for \$22,000 in EDA technical assistance funds for an industrial park feasibility study. Completed and published the "Downtown Woodsville Improvement Program" and assisted the Woodsville Downtown Improvement Corporation in implementing report recommendations. Identified funding opportunities for the Mountain Lakes District's water supply system. Testified on Haverhill's elderly housing needs at a special town meeting and organized a meeting with HUD and state housing officials for advancing the Opera Block housing rehabilitation project.

In 1977, NCC provided the following region-wide services:

Planning Services: NCC provides technical assistance to communities in a number of areas such as comprehensive planning, assistance with subdivision regulations, or reviewing development proposals. NCC is always available to meet with any local official, planning board or public body to assist with local planning matters and thirty-five towns have received some type of direct service from the Council.

Economic Development Grantmanship: NCC worked closely with the Economic Development Administration of the US Department of Commerce, the Farms Home Administration, the Bureau of Outdoor Recreation, and HUD to bring a greater amount of financial resources into the Region; this will assist municipalities, local development corporations, and other organizations implement

REPORT OF NORTH COUNTRY COUNCIL CONTINUED...

locally developed projects and programs. NCC attempts to be aware of the many federal grant programs that would be relevant to needs of communities in the North Country.

Preparation of Development Plans: By working over time to complete components of the Development Plan (in accordance with RSA 36:45), the Council will be in a position to make specific recommendations on how the communities in the Region can develop and prepare for future growth. During 1977, much progress has been made in the areas of Land Use, Housing, and Economic Development.

Participation in National and State Policies:

NCC responds to opportunities to present a North Country perspective before federal and state agencies. Examples include its presentation to the Regional Town Meeting on transportation sponsored by DOT Secretary Adams; meetings with the Regional representative of the Department of Energy on the potential of wood energy, its role in initiating legislation which permitted the construction of bi-state sewerage treatment plants, and its assistance in developing state legislation permitting town governments to develop and own industrial parks. NCC has also worked the NH Department of Public Works and Highways to encourage the Department to make improvements to US 302 from Woodsville to Littleton. As a body representative of local government, NCC provides a local response to state initiatives on "208" Water Quality, Solid Waste, and Safe Drinking Water Standards.

1977 REPORT

Inquiries, Technical Assistance and Special Reports: NCC staff is always available to respond to the inquiries and requests of member municipalities. In the last year, the Council has published technical assistance reports on "Model Subdivision Regulations", "Woodsville Downtown Improvement Summary Report", "Energy Perspectives in the North Country", and the "North Country Housing Element."

Education and Training Programs: NCC again co-sponsored the six Municipal Law Lectures in the Fall and the second statewide Annual Meeting of REgional Planning Commission members. A special workshop for applicants of Round II of the Local Public Works Act was held in conjunction with EDA officials from Concord and Philadelphia. Planning News, the NCC Newsletter, and a legislative bulletin keep local officials and interested persons informed of planning and development activities.

In 1978, the Council will be available to work with the town and other appropriate groups to help implement some of the recommendations contained in the Plans. Ideas and suggestions on how the Council can be greater assistance are appreciated. The Council was created by five towns in 1973 and continues to exist as a service agency to the towns. The Council greatly appreciates the support it receives from the towns, knowing that the support will enable it to provide continued service to the area in the future.

Respectfully submitted,

Karl T. Bruckner

Robert D. Fernald

North Country Council Representatives

As we prepare for the 1977-78 season, entering the 41st year of your Association, promotion and development becomes crucial in the light of today's uneven financial climate. The need to reach a greater public for the development of new businesses, and to sustain the health of the existing business and professional community puts an even greater demand on your White Mountain Region Association.

Our 46 communities are called upon more than ever before to support their association to the fullest extent possible. Again, this year the funding to the six region associations via the State's Department of Resources and Economic Development will be allocated directly on a local share basis. If your White Mountains Region Association is to receive its reasonable share, full local participation must be achieved.

You have in your hands a finely tuned instrument for the continued health and development of the communities in the White Mountains Region. Let us all unite our efforts which will bring them to the highest point of their potential.

Remember that the Association's main function is to bring new business and increased dollars to this region.

A quick summary of activities of your Association during the past fiscal year included: a continued support of the White Mts. Center for the Arts, a regional project with offices in Jefferson. The Association committed

WHITE MOUNTAINS REGION ASSN. CONTINUED...

\$5,000 of its financial resources to this project as well as its human resources; continued its financial support of the 4-H Clubs in Grafton, Carroll and Coos counties, and also helped financially to continue publication of the Christmas tree vendor list which is so vital to the Christmas tree industry here in the White Mts. Region; published additional issues of Outlook magazine which are being sent to New Hampshire legislators in addition to businesses, selectmen offices, and libraries in the region; spoke out in opposition to legislation that would increase the state room and meals tax. Your Association appeared to oppose last minute state legislation that would have taxed all amusements at 10% of their gross income per annum; revised the White Mts. section of the New England Guide and provided promotional/informational material to several out-of-state promotion agencies; invested \$200 cash to the following communities in the interest of supporting local projects: Bath, Jefferson, Woodstock, and Lisbon; representation at numerous meetings at both the local and state level; began establishment of sub-regional meetings in an attempt to establish better communication between the White Mountains Communities and the Association and; held the 39th Annual Meeting at the New England Inn in Intervale, N. H. at which Commissioner George Gilman of the Department of Resources & Economic Development discussed economic growth.

WHITE MOUNTAINS REGION ASSN. CONTINUED...

The Association answered 2,890 single inquiries, wrote 167 personal letters, sent 51 bulletins of Lodging and Real Estate, sent 12,686 mimeographed letters, and wrote 8 news releases.

Respectfully submitted,
NED PINKERTON
Executive Director

NEW HAMPSHIRE MUNICIPAL ASSOCIATION

FACT SHEET

As the service and action arm of New Hampshire cities and towns, NHMA is an organization of some 208 of the 234 municipalities. Its 9 member staff is here to serve you in person, in writing or via NHMA's toll-free WATS line.

NHMA publishes New Hampshire Town & City, a monthly magazine on local affairs with a circulation of 2,000 municipal officials.

NHMA holds training sessions for over 1,000 local officials each year. In 1977, sessions covered planning, subdivision, highway, right-to-know and municipal liability law; financial management; new-statutes; urban redevelopment; selectman's secretaries; the EDA program; supervisory practices; and, new election laws.

NHMA staff is available to provide recruitment and labor relations consultation; personnel system advice; interpretation of statutes; management advice; short surveys on specific problems; and other technical assistance.

NHMA publishes the annual Municipal Calendar, Directory of Local Officials and Salary Survey. It has available a Handbook for Selectmen and Local Officials, a Handbook for Mayors, Councilmen and Aldermen and Welfare Guidelines.

During each legislative session, NHMA mails out a weekly Legislative Bulletin to Chairmen, Mayors, Managers, Councilors, Aldermen and other key officials of coming hearings.

NHMA's group health/major medical and life/disability insurance programs provide low-cost protection for municipal employees.

NHMA's Washington arm, the National League of Cities, advocates municipal interests in Washington.

NLC, NHMA and others played a lead role in passage of Federal Revenue Sharing; the EDA program; Community Development; anti-recessionary grants; CETA and LEAA extension; and, the U.S. Supreme Court case striking down the application of Federal minimum wage and overtime laws to communities. Each year, NHMA staff and local officials meet with your Congressional Delegation to discuss municipal concerns and to re-affirm the issues we work with them on during the year. NHMA's March, 1977, meeting with the Delegation resulted in a doubling to \$20,000,000. the amount of EDA funds available for New Hampshire communities in 1977.

NHMA membership votes on a municipal legislative policy for each session and its staff represents that policy before the legislature and its committees. In 1977, NHMA was instrumental in the following significant areas:

1. Maintenance of FULL State aid to communities with increases in some areas.
2. Creation of municipal bond bank to save costs of long-term borrowing.
3. Creation of Municipal Records Board to shorten retention time for local records.
4. Defeat of bill automatically changing all CLASS VI roads to Class V.
5. Defeat of compulsory binding arbitration of collective bargaining impasses.
6. Passage of law allowing transfer of OAA and APTD costs to counties.
7. Enactment of State-municipal revenue sharing formula with hold harmless provisions.
8. Passage of broader interlocal agreement statute.
9. Institution of recovery of welfare costs from SSI applicants.

WOODSVILLE IMPROVEMENT CORPORATION

The Woodsville Improvement Corporation was formed in September, 1976 as a result of a study conducted by the North Country Council.

Enclosed is a brief summary of the accomplishments and goals of this group.

The purpose of this organization is:

1. To encourage cooperation between businesses and towns people.
2. To co-ordinate activities of a common interest.
3. To improve the general business atmosphere of the area.

We believe our accomplishments have been a small step in the right direction.

As time, interest and funds become available, we hope to move more of our "goals" to the "accomplishment" side of the ledger.

Monthly meetings (open to the public) are held at 7:30 p.m. on the second Wednesday of each month at the Old Court House.

Membership dues are but five dollars a year. Your membership and your attendance at meetings is encouraged.

There is strength in numbers.

Respectfully submitted,

Richard Guy
President

ACCOMPLISHMENTS DUE IN PART TO THE ENCOURAGEMENT OF THE WOODSVILLE IMPROVEMENT CORPORATION

1. Woodsville Downtown improvement program summary report funded and printed in conjunction with North Country Council.
2. Store Fronts Painted.
3. Cleaning and surfacing of parking lot behind Odd Fellows Block.
4. Circus sponsored in North Haverhill as a Community activity and a fund raising event.
5. Shrubs planted on Central Street.
6. Painting of Court Street underpass and railroad fence.
7. Participation in Town of Haverhill Spring Clean-Up Day.
8. Traffic island installed at intersection of Court Street and Central Street.
9. Money appropriated to assist in installing brick facing on fire station.
10. Pleasant Street parking lot sign repainted.
11. Installation of Town Office Building sign and painting of flag pole.

FUTURE GOALS

1. Conduct a market analysis for the business area.
2. Provide street Christmas decorations.
3. Improve street lighting.
4. Conduct an annual arts and crafts fair.
5. Cleaning of brick buildings.
6. Plant trees along Central Street.
7. Major Reconstruction of Court Street underpass and other railroad related areas.

HAVERHILL COMMUNITY ASSOCIATION

Several residents of the precinct of Haverhill Corner reactivated the Community Association within recent years.

The Association meets the third Wednesday of every month at the Parish House on the Common and is always looking for new members. Everyone in the precinct is encouraged to join. The dues are \$2.00.

During 1977-78 the Association planted some young maple trees in the Common (an ongoing project), planted annuals in the flagpole triangle, and erected and decorated the Common Christmas tree. Speakers and visitors at the meetings have included the Haverhill Planning Board, Governor's Councillor, Ray Burton, Police Chief, Stephen Savage, and the precinct Commissioners; films were shown at three meetings.

The Association is continuing work on reinstituting a Haverhill Corner Planning Board and trying to get a tennis court built in the precinct.

REPORT OF DISTRICT FIRE CHIEF AND TOWN
FOREST FIRE WARDEN

DEAN MEMORIAL AIRPORT

Total air movements at Dean Memorial Airport for 1977 were 308. (Commercial 6, Business 58, Pleasure 244). 243 passengers flew in and 241 passengers flew out. The busiest months were May, July and August. At present there are four planes stationed here.

The airport was used again for seeding winter rye on cornfields to prevent erosion of the top soil during the winter and spring.

Dean Memorial Airport is not only important for business and pleasure. It saved a man's life on November 10. Larry Trebino of Larry Trebino Construction Co., Inc., Weymouth, Massachusetts, was on his way home from Maine and had nearly reached his destination when a storm closed in and cut off his visability. His radio and equipment went dead. After flying around until his fuel was nearly gone, he spotted a break in the clouds, came down through the break and saw the Connecticut River and then the airstrip. He landed here safely at 4:30 PM with about one gallon of gas left in the tank, and Thanking God He Was Here!

Robert Gibson, Airport Manager
Roland & Shirley McKean, Authorized
Representatives

Forest fire control in New Hampshire is a joint state and town/city responsibility (RSA 224).

The Director, Division of Forests and Lands (State Forester) appoints a forest fire and several deputy forest fire wardens in each town/city upon the recommendation of local authorities.

The local forest fire warden is responsible for forest fire prevention and suppression activities in his town. He regulates the kindling of outside fires when the ground is not covered with snow by the issuance of written permits only when conditions are safe. He is responsible for suppression with the town/city and state sharing the cost. Suppression costs in excess of $\frac{1}{4}$ of 1% of the assessed valuation of the town are assumed by the state.

The state provides training for the local fire organization and helps coordinate activities between towns/cities. The state also supports local forces with backup personnel, equipment, and supplies for suppression and prevention.

The combination of state and local cooperation, started in 1893, works well, for New Hampshire has enjoyed one of the smallest acreage losses due to forest fires in the United States for the past 25 years.

PRECINCT OF HAVERHILL CORNER
Warrant for Annual Meeting

To the inhabitants of the Precinct of Haverhill Corner, in said Haverhill who are qualified to vote in District affairs:

You are hereby notified to meet in the Chapel, in said Precinct on Wednesday, March 22nd, 1978 at 7:30 o'clock in the evening to act upon the following articles:

- Article 1: To elect a Moderator for the term of one year.
- Article 2: To elect a Clerk for the term of one year.
- Article 3: To hear the report of the Treasurer and other agents.
- Article 4: To elect one Precinct Commissioner for the term of three years.
- Article 5: To elect a Treasurer for the term of one year.
- Article 6: To elect an Auditor for the term of one year.
- Article 7: Vote to approve or disapprove the installation of a street light near the site of Mr. Louis Pike's new home construction on Route 25 in said Precinct.
- Article 8: To see if the Voters will vote to have the Precinct Commissioners re-activate the Planning Board.
- Article 9: Vote to authorize the Precinct Commissioners to borrow money to provide for current expenses, or for emergency, until the taxes are collected and to give note for same.
- Article 10: To raise such sums of money for the ensuing year as printed in the budget.

Article 11: To transact any other business proper to come before this meeting.

William Andrews
Earl Aremburg
Robert Smith

Commissioners

1977 ANNUAL MEETING
PRECINCT OF HAVERHILL CORNER

The 1977 Annual Meeting of the Precinct of Haverhill Corner was called to order at the Parish house in Haverhill Corner on March 16, 1977 at 7:30 p.m. by Moderator Karl Bruckner.

The Moderator announced that under Article 1 of the Warrant, the election of a Moderator for the coming year was in order. Karl T. Bruckner was nominated by Harry Fogarty and seconded by Laurence Ford. Karl Bruckner was the only person nominated for this office, and having a majority of the ballots cast, was declared elected.

Under Article 2, Sue Bruckner was nominated for Clerk by Stew Holden and seconded by Joe Lavoie, and having a majority of the ballots cast, was declared elected.

Under Article 3, it was moved by William Andrews and seconded by Mrs. Andrews that the report of the Treasurer and other agents be accepted as printed in the Town Report. It was voted unanimously to accept the reports.

Under Article 4, Ken Smith nominated and Jan Holden seconded, Bob Smith for the three-year term as Precinct Commissioner. Harry Fogarty nominated and Mr. St. John seconded Karl Elsner for Commissioner

for the three-year term. Bob Smith had the majority of ballots cast and was declared elected.

Under Article 5, Stewart Holden was nominated for Treasurer by Earl Aremburg and seconded by Joe Lavoie. Stewart Holden being the only person nominated, and having a majority of ballots cast, was declared elected.

Under Article 6, James Barber was nominated for Auditor by Joe Lavoie and seconded by George Wheeler. James Barber having a majority of ballots cast, was declared elected.

The oath of office was administered by the Moderator to all the above persons with the exception of James Barber, who was not present.

Under Article 7, Vern Wiggins explained that the \$650.00 asked for by the Fire Department was for two new jackets, a new fire nozzle and some length of hose. It was moved by Earl Aremburg to appropriate the sum of \$650.00 for this new equipment for the Fire Department. Raymond Aremburg seconded the motion, and the article was voted unanimously.

Under Article 8, it was moved by Earl Aremburg and seconded by Charles Ford to authorize the Precinct Commissioners to hire men and equipment for the drilling of an artesian well on the reservoir lot. William Andrews explained that after much research it had been determined by the Commissioners that the drilling of an artesian well would be the least expensive method of obtaining an additional water supply. He further explained the costs of \$12 to \$14 a foot for a cased hole, the fact that the New Hampshire Water Supply and Pollution Control Commission would have final control, and the best estimates of the flow from a new well would be 40 to 50 gallons per minute. There was some discussion relating to the hardness and softness of the new supply and other discussion as to breaks in the existing system. It was moved by Charles Ford and seconded by Karl Elsner that the article be voted. The vote was unanimously in favor of Article 8.

Under Article 9, it was moved by Charles Ford and seconded by Bill Keyes that the Commissioners be authorized to expend not more than \$10,000.00 for the work necessary to install an artesian well on the reservoir lot. After considerable discussion on costs of pipe, electrical work and installation of the well itself, the authorization for the Commissioners to spend up to \$10,000.00 was unanimously approved.

Under Article 10, there was considerable discussion as to the best method of financing the artesian well, by capital reserve or long term note. It was finally moved by Charles Ford and seconded by Stewart Pompian to authorize the Commissioners to finance the artesian well project using long term notes, for such terms as the Commissioners deem best, not to exceed ten (10) years. It was unanimously voted.

Article 11, it was moved by Stewart Holden and seconded by Ken Smith that the Commissioners be authorized to borrow money to provide for current expenses or for emergency until taxes are collected and to give notes for the same. The vote was unanimously approved.

The Moderator explained that under Article 12, it was necessary to appropriate a total of \$20,965.00 even though only \$4,463.00 of that sum was to be raised by taxes. Karl Elsner moved that every other street light be removed and that the item for lights in the budget be reduced by one-half or \$1,500.00. The motion was seconded by Mary Campbell. After considerable discussion, the motion to amend was defeated on a voice vote. It was moved by Charles Ford that the Village appropriate the sum of \$20,965.00 of which \$4,463.00 was to be raised by taxes. The motion was seconded by Harry Fogarty. The motion was approved on a unanimous voice vote.

Under Article 13, there was much discussion on the advantages of and the savings in costs and energy that would result by removing every other street light. It was moved by Karl Elsner and seconded by Stewart Pompian that the Moderator appoint a

committee of three (3) persons to research the advantages and disadvantages of removing every other street light and report back to the next meeting.

It was moved by Harry Fogarty and seconded by Earl Aremburg that we give a vote of thanks to outgoing Precinct Commissioners Ken Smith for the outstanding job and unselfish hours he gave as Precinct Commissioners.

It was moved, and seconded and voted that the meeting be adjourned. The Moderator adjourned the meeting at 8:50 p.m.

Respectfully submitted,

Sue Bruckner, Clerk

WARRANT FOR ANNUAL MEETING
of
No. Haverhill Water District

To the inhabitants of the North Haverhill
Water & Light District in the Town of Haverhill,
N.H., qualified to vote in District affairs:

You are hereby notified to meet in the North
Haverhill Town Hall, Thursday, March 16, 1978
at 7:30 in the evening, to act on the following
matters:

- Article 1. To choose a Moderator for the
ensuing year.
- Article 2. To choose a clerk for the
ensuing year.
- Article 3. To choose a Treasurer for the
ensuing year.
- Article 4. To choose a Commissioner for a
period of 3 years.
- Article 5. To choose an Auditor for the
ensuing year.
- Article 6. To hear the reports of the
officers heretoforth chosen and
to pass any vote relating thereto.
- Article 7. To see if the District will vote
to authorize the Commissioners
to proceed with detailed engi-
neering design for water works
improvements not to exceed
a cost of \$10,000.00.
- Article 8. To see if the District will vote
to authorize the Commissioners
to borrow money to provide for
current expenses or for an
emergency until taxes are
collected, and give notes for same.

Article 9. To raise and appropriate such
sums of money as may be deemed
necessary for the ensuing year
for new equipment and for main-
tenance of the Fire Dept. and for
street lights, side walks, of the
district.

Article 10. To see if the District will vote
to authorize the Commissioners
to place surplus money, if some
exists into trust funds.

Article 11. To see if the District will vote
to authorize the Commissioners to
seek and accept any grants or
funds available for planned
waterworks improvements.

Article 12. To transact any other business
proper to come before this
meeting.

AUDITOR'S REPORT

January 18, 1978

I hereby certify that I have audited the accounts of the North Haverhill Water and Lighting District for the fiscal year 1977 and I have found them correctly balanced.

ROLAND F. CLOUGH
Auditor

MOUNTAIN LAKES DISTRICT

Report of the Commissioners

To the Voters and Taxpayers of Mountain Lakes District:

In the short history of the Mountain Lakes district since its formation in October of 1976, real progress has been made in solving the complex problems created by the actions and inactions of the bankrupt Town & Country Homes, Inc. and the tactics of the Mountain Springs Water Co.

Following your directive, the Commissioners purchased the ski base lodge and the four acres surrounding it for \$38,000 as a solid investment for utilization as headquarters for the conduct of District and Mountain Lakes Community Association business and as a center for our newly organized cross-country ski program and hopefully the future downhill ski operations.

In September, the Commissioners finalized the purchase of the central facilities comprising the community center, beaches, pool, tennis court and basketball court for \$41,000.

As voted at the March 19, 1977 Annual Town Meeting, the Commissioners hired Tim Heinz to fill the Administrative Assistant position to carry out the recreational, maintenance, administrative and contact activities with local, state and federal officials.

The Commissioners successfully petitioned the N. H. State Legislature through the efforts of Representative Bart Mann to allow the Mountain Lakes District to exceed the 1% debt limit in any negotiations to purchase the Mountain Springs Water Co. The combined efforts of the District and Association

leadership actively continue toward final resolution of the water rates and the ultimate acquisition of the water system.

The District summer recreational program had a good beginning. Swimming lessons and arts and crafts were offered. Tennis lessons for adults and youth were particularly effective as were the evening softball games. The snack bar at the Community Center operated successfully throughout the summer. The Horseback riding program, while not as well received as hoped, shows promise for the future.

The highlight of the Winter recreational season was opening a cross-country program with ski rentals at the base lodge and the cutting of over 5 miles of trails.

During the year, the Town has been working diligently to raise the quality of the 7.8 miles of roads it has taken over. Plus in October, the Town agreed through petition to accept an additional 1.5 miles of roads - Briar Hill Road, Wildcat Drive and a part of Haverhill Lane.

The Commissioners voted to close the central garbage facility effective November 1 on the basis it presented a health hazard. Home-owners have been given the option of arranging private pick-up with the contractor who has agreed to come into Mountain Lakes or use the private landfill in Vermont arranged by the Town of Haverhill.

The Mountain Lakes District statistics are impressive. There are over 170 homes now built and prognosis is good for new construction in 1978. There are 22 families permanently residing in Mountain Lakes. There are 71 registered voters. The total assessed property values are over \$14.6 million and Mountain Lakes contributes over 28% of the total of Haverhill's tax revenue.

1978 holds the promise of opportunities for a new prosperity. Your District and Association leadership have pledged their efforts to taking over the Water System and putting into operation the ski area. Hard decisions must be made and we need your help and support.

Respectfully submitted,

Walter Bennett
Walter Keane
Roger B. Knauth

TOWN OF HAVERHILL

MOUNTAIN LAKES DISTRICT

WARRANT FOR ANNUAL DISTRICT MEETING

To the voters of the Mountain Lakes District located in the Town of Haverhill, New Hampshire who are qualified to vote in District affairs.

Take Notice And Be Warned: That the annual District meeting of the Mountain Lakes District of Haverhill, New Hampshire will be held on Saturday, March 18th, 1978 at 7:00 P.M. at the District Building in the Mountain Lakes District to act upon the following subjects:

1. To elect the following District Officers:

One Commissioner
Treasurer
District Clerk
District Moderator

And such other District Officers as may be required by law.

2. To see if the District will vote to incur debt in anticipation of taxes and other revenue of the financial year in order to pay current maintenance and operation expenses and to issue notes therefore in conformity with the New Hampshire Municipal Finance Act, RSA Chapter 33.
3. To see if the District will vote to authorize the Commissioners to apply, negotiate and do all things necessary to obtain any Federal or State assistance as may be available to the District and to receive and expend such Federal and/or State assistance for any purpose set forth in the District budget or as authorized by this Meeting.

4. To see what sum the District will appropriate to pay the expenses of the District during the 1978 fiscal year for the purposes set forth in the District budget.
5. To see what sum the District will appropriate to develop a camping area limited to ~~one~~ sites to be located within the boundaries of the District.
6. To see what sum the District will appropriate to obtain the water system known as the Mountain Springs Water Co. and to see if the District will set-up a three member Water Commission to supervise the operations and maintenance of the water system and to establish rates when and if a District water system is obtained.
7. To see what action the District will take concerning the ownership and operations of the ski area known as Swiftwater Ski Area and the baselodge (District Building).
8. To see how the District wants to rename those roads within the District that have duplicate or confusing names.
9. To transact any other business that may legally be brought before the District Meeting.

Given under our hands and seals this day of March, 1978.

District Commissioners:

Walter L. Bennett

Walter Keane

Roger B. Knauth

MOUNTAIN LAKES DISTRICT

The 1977 annual meeting of the Mountain Lakes District was called to order at the District Building at Mountain Lakes on March 19, 1977 at 7:10 P.M. by the Moderator, Roger Knauth. The Moderator then read the Warrant.

ARTICLE I

It was moved by C. Kelleher, seconded by W. Morrow that the District elect three District Commissioners to serve for a term of 3 years as provided in RSA 52:9 beginning with the election of Commissioner to serve for 1 year, 1 Commissioner to serve for 2 years, and 1 Commissioner to serve for 3 years. At every annual meeting thereafter 1 commissioner will be elected to serve for 3 years. There being no opposition to the motion, the motion carried unanimously.

ARTICLE 2

The Moderator called for nominations for 1 Commissioner to serve for 1 year. The names of Victor Wallace and Walter Bennett were placed in nomination. After balloting, the Ballot Clerk announced Victor Wallace received 7 votes and Walter Bennett received 24 votes. Walter Bennett was declared elected.

Nominations were then called for Commissioner to serve for 2 years. The names of Paul Nedovich and Walter Keane were placed in nomination. After balloting, the Ballot Clerk announced 9 votes cast for Paul Nedovich and 21 votes cast for Walter Keane. Walter Keane was declared elected.

The Moderator called for nominations for 1 Commissioner to serve for 3 years. The names of Roger Knauth and Norman Farr were placed in nomination. After balloting, the Ballot Clerk announced that Roger Knauth received 23 votes and Norman Farr received 8 votes. Roger Knauth was declared elected.

Nominations were then called for the office of Treasurer. Josephine Osso was the only name placed in nomination and having a majority of votes was declared elected.

Nominations were called for the office of District Clerk. Mabel M. Billings was the only name placed in nomination and having a majority of votes was declared elected.

Nominations were then called for the office of Moderator. William S. Hall, Sr. was the only name placed in nomination and having a majority of votes was declared elected.

ARTICLE 3

A motion was made by L. Ciotti, seconded by C. Kelleher that the District incur debt in anticipation of taxes and other revenue of the financial year in order to pay current maintenance and operation expenses and to issue notes therefor in conformity with the New Hampshire Municipal Finance Act RSA Chap. 33. The motion passed unanimously.

ARTICLE 4

On motion of I. MacTaggart, seconded by J. Johnson, it was moved that the District authorize the Commissioners to apply, negotiate and do all things necessary to obtain any Federal or State assistance as may be available to the District and to receive and expend such Federal and/or State assistance for any purpose set forth in the District budget or as authorized

by this meeting. There being no opposition, the motion passed.

ARTICLE 5

On motion of A. Godston, seconded by C. Kelleher, it was moved that the District appropriate the sum of \$5,100 plus \$95 interest to reimburse the Mountain Lakes Community Association, Inc. for the funds advanced to complete the purchase of the ski area base lodge and to borrow such sum by the issuance of bonds and/or notes under the Municipal Finance Act. W. Hall explained to the meeting that the Bank would not accept the District's original offer and agreement was reached at a higher figure. V. Wallace questioned whether this was a loan, donation or repayment of a legally constituted debt of the District since the District had previously voted a sum to be expended for the purchase of the lodge and since this was in excess was it necessary for the District to repay it at this time. It was explained that in the opinion of the Commissioners it was in the best interests of the District to purchase the so-called base lodge, it was hoped that the District would vote to repay this sum although it could not be called a debt or loan. A hand vote was called for. 24 voted in favor of the motion, 7 opposed. The Moderator declared the motion passed.

ARTICLE 6

On motion of W. Morrow, seconded by C. Kelleher, it was moved that the District authorize the Commissioners to accept any funds donated by the Mountain Lakes Management Committee, such funds to be used exclusively for the operation and maintenance of the central recreational facilities by the District together with the funds appropriated by the District.

Paul Nedovich raised the point of this being a donation. D. Holstrom, President of the Association, explained to the meeting that there was presently the sum of \$2,200 left in the funds that had been collected by the committee so authorized to collect same by the Trustee in Bankruptcy. It was explained that this money was collected for the above purpose and had to be used for this purpose. The vote was unanimously in favor and the motion passed.

ARTICLE 7

On motion of I. MacTaggart, seconded by J. Dockham it was moved that the District accept any conveyance from the Trustee in Bankruptcy for Town & Country Homes, Inc. as common areas such as beaches, greenbelts, parks, preserve subject to the restrictions as contain in the Covenants and Restrictions recorded in the Grafton County Registry of Deeds preventing any development of such land. There being no opposition, the motion unanimously was passed.

ARTICLE 8

On motion of W. S. Hall, seconded by J. Dockham, it was moved that the District hire an administrative assistant for the Commissioners at an annual salary not to exceed \$8,000. This motion brought forth extensive, lengthy and disputative discussions from practically all present as to its pro's and con's, i.e. duties, title, responsibilities, authority, proper title, amount of salary, etc. After a very lengthy discussion, W.S. Hall withdrew his motion as stated and offered the following amendment to the motion: That the District hire a full-time administrative assistant to the Commissioners at an annual cost not to exceed \$12,000.00 per annum; seconded by W. Morrow. 24 voted in favor of amendment, 7 opposed. Motion carried.

There was no opposition to withdrawal of the original motion.

ARTICLE 9

It was moved and seconded that a camping area limited to six sites for the use of lot owners be developed on the lot on which the District building is located and that \$3,600 be appropriated for that purpose. After lengthy discussion, a vote was taken. There were 11 votes in favor of the motion, 18 votes in opposition. The Moderator declared the motion had not carried.

ARTICLE 10

It was moved, seconded and voted that Article 10 be passed over. So declared by the Moderator.

ARTICLE 11

On motion of W.S. Hall, seconded by W. Bennett, it was moved that the District appropriate the sum of \$42,810.00, to pay the expenses of the District during the 1977 fiscal year for the purposes set forth in the District budget. There being no opposition, the motion carried.

ARTICLE 12

It was moved, seconded and voted that the District appropriate the sum of \$310 to establish a contingency fund to meet the cost of unanticipated expenses as provided in RSA 52:4 and as set forth at length in the Warrant.

ARTICLE 13

It was moved, seconded and voted that the Commissioners be authorized to allow and

regulate the use of the central recreational facilities owned by the District by non-residents, other than property owners for a fee as determined by the Commissioners.

ARTICLE 14

It was moved, seconded and voted that the Commissioners prepare, post and correct a checklist of the legal voters of the District for use at any meeting in the same manner as supervisors of the checklists are required to do in the case of towns and that such checklists be used in the election of officers and for use in the District Meetings as provided in RSA 52:15.

ARTICLE 15

It was moved, seconded and voted that the Commissioners hold an informational meeting on the Saturday of Labor Day weekend each year for the purpose of providing information to property owners as to expenses of the District for District affairs and related matters.

ARTICLE 16

It was moved, seconded and voted that the Commissioners be authorized to petition the legislature for special legislation to allow the District to exceed the debt limits under the Municipal Finance Act in the event that the opportunity arises to purchase the central water system serving the Mountain Lakes District.

ARTICLE 17

It was moved, seconded and voted that the District authorize the Commissioners to investigate renewing the connection with the water system of the Woodsville Water and Light Department for the purpose of providing water

to the District in the event of an emergency and possible failure of the existing central water system so as to continue services to properties in the District and to take such further action with the New Hampshire Public Utilities Commission as may be necessary.

It was moved, seconded and voted that the following Resolution be set forth in the minutes of the meeting:

RESOLVED that the Mountain Lake District, through its elected officers, express to the Selectmen of the Town of Haverhill, the Administrative Assistant of said Town and other Town officials and employees, the deep appreciation and heartfelt thanks of the residents and property owners of the District for their past considerations, cooperations and endeavors on behalf of the District in attempting to resolve its many faceted problems and also, express the hope that the District may continue to anticipate such further considerations and cooperation in the future.

The oath of office was then administered by L. Gardner, Justice of the Peace to all the duly elected officials of the District.

It was moved, seconded and voted that the meeting be adjourned. So declared by the Moderator at 10:15 P.M.

M. M. Billings,
Clerk

WOODSVILLE FIRE DISTRICT

Warrant for Annual Meeting, 1978 (Tentative)

To the inhabitants of the Woodsville Fire District, in the Town of Haverhill, County of Grafton and State of New Hampshire, qualified to vote on said District affairs:

You are hereby notified to meet at the Community Building on High Street in said District at thirty minutes past seven in the evening on Thursday, March 23, to act on the following matters:

Article 1. To choose a Moderator.

Article 2. To choose a Clerk.

Article 3. To hear the reports of the officers heretofore chosen and to pass any vote relating thereto.

Article 4. To choose a Treasurer.

Article 5. To choose an Auditor.

Article 6. To choose one (1) Library Trustee for the ensuing year.

Article 7. To choose one (1) District Commissioner for a term of three years.

Article 8. To choose (1) Water & Light Department Commissioner for a term of three years.

Article 9a. To see if the District will vote to dismiss the Recreation Committee.

Article 9b. If the vote to retain the committee is forthcoming on A of this article, to then elect one member of the committee for a term of five (5) years.

Article 10. To see if the District will vote to direct the Water & Light Commissioners to turn over to the District a certain sum of money to help meet the expenses of the District.

WOODSVILLE FIRE DISTRICT

Warrant for Annual Meeting, 1978 (Tentative)
Continued...

Article 11. To see if the District will vote pursuant to RSA 52:4-A (Supp) to establish a contingency fund to meet the cost of unanticipated expenses which may arise during the year, such fund not to exceed one (1) percent of the amount appropriated, exclusive of capital expense and amortization of debt, by the District during the preceding year.

Article 12. To see if the District will vote to appropriate the sum of \$13,000.00 for the purchase of one (1) Waldon Loader, Model 5000, Serial #0011016, to replace the Bobcat Loader presently owned by the District.

Article 13. To raise and appropriate such sum as may be necessary to meet the expenses of the District for the coming year, including the Fire Department.

Article 14. To hear a report of the current status of the Sewage Treatment Facility.

Article 15. To transact any other business proper to come before this meeting.

Conrad Fournier
Joseph R. Maccini
Winthrop W. Klark

1977-1978 Recreation Report

The 1977-78 Community Recreation Program began in January 1977 with Little League basketball being the main attraction. There were four teams and they were sponsored by Cray Oil Co., McAllister's Gems, Larty Oil Co., and the American Legion. Coaches included Dale Thornton, Troy Dodge, Victor Roy, Philip Davidson and Andy Pierson. The League was quite satisfactory and gave boys age 9-13 an opportunity to play in a structured situation. Games were played on Saturdays at 12:30 P.M. and continued through February and March. Playoffs began in March and ended in April. Much appreciation is extended to coaches and officials who assisted in the program. Basketball for older boys was conducted on Saturday afternoons after Little League was completed.

The 1977 summer Recreation Program included Little League Baseball which began in June. There were four teams and these teams included sponsors from American Legion, Larty Oil Co., H.O. Taylor Chevrolet Co. and Rotary. Coaches included Arnold Blood, Camille Roy, Frank Smith and Philip Davidson, John Wardrop and George McKelvey were League umpires and also administrators. A League all-star team was selected and represented Woodsville in the Lyndonville Boy's Tourney. Arnold Blood and John Wardrop were coaches. Playoffs for the League were held in August.

Babe Ruth Baseball continued and Woodsville was an entry in the Triangle Babe Ruth League. Bob Ward was coach.

Summer basketball for high school age students was conducted with John Bagonzi as coach. Games were played with Groveton,

Littleton, Hartford, Vt., Mascoma, Lebanon, White Mt. Regional. Games were played in the evening and transportation was furnished by private cars.

The summer Youth Recreation Program was compacted with many events and an extremely productive and satisfying summer was achieved. Exchange visits with Groveton and Littleton Recreation Programs proved stimulating and gave access to intercompetition in basketball and softball for both boys and girls.

Red Cross life saving swimming instructions were held at the A.P. Hill Community Swimming Pool for all Y.R. members. This was under the direction of Miss Sharon Brown. Her staff included Katie Page, Robert Bagonzi, and Teresa Bagonzi.

Special events for Y.R. included: Bicycle Rodeo, Pet Show, Costume Parade, Doll Fashion Show, Stilt Walking Contest, Model Boat Sailing Contest, Rock Skipping Contest, Clinics in Fly Casting, Fly Tying and Baseball Pitching and special Olympics.

The Program culminated with a swimming meet at the Community Swimming Pool and a grand final olympics type field meet in which all awards and prizes were given out.

The A.P. Hill Community Swimming Pool opened for it's 2nd consecutive summer and was blessed with good attendance. The addition of town water as a supplement alleviated the cold water problem and a warm water swimming condition was rendered. The pool was open from 1-5 P.M. and 6-8 P.M. (all days of the week). Sharon Brown was head life guard. Her staff included Darlene Powers, Teresa Bagonzi, Robert Bagonzi and Kathy Kirby.

Respectfully submitted,
John Bagonzi,
Recreation Director

WOODSVILLE FIRE DEPARTMENT

TO: THE RESIDENTS OF THE PRECINCT OF
WOODSVILLE

The year of 1977 has been a very productive year for the Woodsville Fire Department. We had many changes and updating of our equipment, including the reconstruction of our Emergency Van and Tanker, and the addition of a new 1000 GPM Pumper added to our inventory of trucks. All this was made possible by residents of the Town of Haverhill and Precinct of Woodsville.

A lot of contributions were made by interested organizations and people in our town. Contributions were made by the Woodsville Firemen of \$2763, the Woodsville Firemen's Auxiliary of \$785, Newman Lumber Company of two 2½ inch nozzles and Lafayette National Bank a 4" adaptor. All these contributions were made to improve the Woodsville Fire Department and to equip our new pumper. I would like to thank the men of the Woodsville Fire Department, the Firemen's Auxiliary, the Commissioners and the people of the Precinct of Woodsville for their support this year and hope it will continue in the future.

We also had a very busy year of fire fighting. The number and types of fires are as follows:

Bomb Threat	1	Structural	16
Trash Fires	4	Forest Fires	7
Car Fires	2	Flammable Liquid	2

Total Fires 32

A total of 763 man hours were spent fighting fire.

Respectfully submitted,
Clarence E. Thayer, Jr., Chief
Woodsville Fire Department

SCHOOL WARRANT
HAVERHILL COOPERATIVE SCHOOL DISTRICT

To the Inhabitants of the Haverhill Cooperative School District qualified to vote in the Haverhill Cooperative District affairs:

You are hereby notified to meet at the James R. Morrill Elementary School Gymnasium, North Haverhill, New Hampshire on the 2nd day of March, 1978, polls to open for the election of District Officers at 10:00 o'clock in the forenoon and to close not earlier than 7:00 o'clock in the afternoon, with action on the remaining articles in this warrant to be taken commencing at 7:30 o'clock in the afternoon.

ARTICLE 1. To choose, by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2. To choose, by non-partisan ballot, two members of the School Board, one from the pre-existing Haverhill School District for a term of three years, and one from the pre-existing Woodsville School District for a term of three years.

ARTICLE 3. To hear reports of the School Board, Treasurer and the Superintendent of Schools and to pass any vote relating thereto.

ARTICLE 4. To see if the District will authorize the School Board to make application for and to receive in the name of the District such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any other federal, state or private source.

ARTICLE 5. To see if the District will vote to authorize the application of any unanticipated income to expenses.

ARTICLE 6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries of School District Officials and agents and for the payment of statutory obligations of said District and to authorize the application against said appropriations of such sums as are estimated to be received from the State Foundation Aid and Building Aid Funds together with other income;

the School Board to certify to the Selectmen the balance between the estimated revenue and appropriations, in accordance with the formula adopted by the Haverhill Cooperative School District; and the School Board further to certify to the Selectmen the amount to be raised by taxation by each of the two pre-existing school districts.

ARTICLE 7. To see if the School District wishes to exclude from it's Social Security plan services performed by election officials or election workers for each calendar quarter in which the remuneration paid for such services is less than \$50.00.

ARTICLE 8. To transact any other business that may legally come before said meeting.

Given under our hands this 8th day of February, 1978.

NOTICE OF PUBLIC HEARING

In accordance with R.S.A. 195:12, Notice is hereby
given that a Public Hearing of the Preliminary Budget
for the Haverhill Cooperative School District, for
the Fiscal Year ending June 30, 1979, will be held at
the James R. Morrill Elementary School, North
Haverhill, New Hampshire on Wednesday, January 25,
1978 at 7:30 P. M.

Charles A. Wood, Chairperson

Haverhill Cooperative School District

January 10, 1978

HAVERHILL COOPERATIVE SCHOOL DISTRICT
HAVERHILL, NEW HAMPSHIRE

Notice of Time Limit for Filing Candidacies for
School Board Member and Moderator of the
Haverhill Cooperative School District

The undersigned Clerk of this School District herewith gives notice of the time limit for filing declarations of candidacy from this School District for election to the office of School Board Member and Moderator of the Haverhill Cooperative School District.

The election will occur during the Annual Meeting called to convene at the James R. Morrill Elementary School, North Haverhill, New Hampshire, on March 2, 1978 at 10:00 o'clock in the forenoon and to close not earlier than 7:00 o'clock in the afternoon, and will be conducted under the non-partisan ballot law, each pre-existing district voting separately.

The School District is entitled to elect the following at that time:

- 1 Moderator, for term expiring in 1979
- 1 School Board Member from the pre-existing district of Haverhill for term expiring in 1981
- 1 School Board Member from the pre-existing district of Woodsville for term expiring in 1981

Written declarations of candidacy must be filed with the undersigned prior to 5:00 o'clock on February 1, 1978 in order for the name of the candidate to appear on the ballot. Forms may be obtained from the undersigned Clerk. Filing fee \$1.00.

No person may file a declaration of candidacy for more than one position on the School Board to be elected at such election. Any qualified voter of this School District is eligible to file with the undersigned.

Mary Ashley
Clerk of the Haverhill
Cooperative School District

PUBLIC NOTICE

To the Voters of the Haverhill Cooperative
School District:

Checklist Supervisors (Haverhill Cooperative School
Board Members) will meet as follows:

Wednesday, January 25, 1978 - 7:30-9:00 P.M.
James R. Morrill Elementary School, N. Haverhill, N.H.
Wednesday, February 8, 1978 - 7:30-9:00 P.M.
Haverhill Academy Junior High School, Haverhill, N.H.
Saturday, February 11, 1978 - 9:00-11:30 A.M.
Office of Superintendent of Schools
Municipal Building, Woodsville, N. H.

For the purpose of correcting the checklists of the
pre-existing Haverhill School District and the pre-
existing Woodsville School District.

CHARLES WOOD
VICTOR ROY
ARCHIE STEENBURGH
C. THOMAS CHASE
PETER KIMBALL
ALAN PAGE
JAMES H. WALKER, JR.

Haverhill Cooperative
School Board

Note: In order to be able to vote in School District
affairs, you must register for the School Checklist.
even though you may be already listed on the Town
Checklist.

E. I. Anderson
District Treasurer

We certify that we have examined the accounts of the Treasurer of the Haverhill Cooperative School District for the year ending June 30, 1977 and find them correct and showing a balance of \$67,943.21.

The Woodsville Elementary School Bonds 211 through 225 and all coupons were paid and destroyed except coupons of November '72, '73, '74, '75 and May '73, '74, '75, '76, '77 #241. This makes ten #241 coupons outstanding and there is a balance of \$185.00 on deposit in the National Shawmut Bank of Boston to pay these coupons when presented.

The Haverhill Cooperative Bonds 24 through 26 (\$5,000.00 Bonds) of 6.20% issue and all coupons were paid and destroyed.

The Haverhill Cooperative Bonds 13 and 14 (\$5,000.00 Bonds) of the 6.10% issue and coupons were paid and destroyed.

We also certify that we have examined the accounts of the Treasurer of the Haverhill Cooperative School Lunch Programs and have found them to be complete and correct.

J. H. Barber

REPORT OF THE SUPERINTENDENT OF SCHOOLS

I herewith submit my thirteenth annual report to the voters of the Haverhill Cooperative School District.

The New Hampshire State Board of Education and Commissioner Dr. Brunelle have recently implemented the basic groundwork for the formal entry of New Hampshire Public Schools into the competency testing and sometimes called the competency based education, at grades 4, 8 and 12.

It appears that there is widespread public support for this new reform movement which was recently preceded by the "back to basics" movement. It is the feeling of this administrator that we really have never left the basics; and, that our teachers are looking forward to the challenge.

Plainly, minimal competency is the latest transformation of the accountability spirit in public education. Some believe it will hold the school's feet to the fire; others are convinced it will force the schools into more effective teaching. It has great appeal to those who manage schools. Why? Mainly because competency testing means standards, and standards mean that public and administrative judgments about children, curriculum and resources can be based on data. Schools and children can be judged by test scores - by their output as measured by a new generation of tests.

If the movement succeeds, it almost certainly will result in school boards, school administrators, state officials, and legislatures paying closer attention than ever to testing and to test scores. It will mean that either every youngster or every child who is graduated (a crucial and sticky distinction) will reach some agreed upon level of measurable, presumably "basic" skills. It means that resources will be targeted toward measurable goals, and that school board and educators will express their goals in measurable terms.

Hidden in this new reform movement is a legal implication or issue that is just now surfacing. It is in reference to the practices and malpractices of public schools. This area of litigation is relatively new, but seems to be growing yearly.

Not all is rosy when one considers the many facets of competency testing. We must consider some of the following problems that already are plaguing educational systems using the tests:

1. What competencies will be required? Will we test only in the three R's or in every school subject?
2. How will we measure skills? By observing school performance or by written tests only?
3. When will we measure? During the year, or at the end of the school experience?
4. Will there be one minimum for all students? Will ability and special talents be the principal consideration or will there be others?
5. How high will the minimum be? How many students can a school fail and still be responsive to the needs of the educational community? How many students can a school district realistically remediate? Will the minimum be so high that adults cannot pass the test, or so low that adults will dismiss the test as absurd?
6. Will we judge students or schools?
7. What can be done by incompetent students and/or schools?
8. Will the testing be used as a tool for teacher evaluation and effectiveness?

It should be stressed that testing for the wrong reasons will only serve to destroy the premise, as this writer sees it, that we are attempting to measure the skills our students have mastered and consequently improve educational achievement.

Voters should refer to last year's report for a discussion on P. L. 94-112 and its implications for all school districts. This year's budget only reflects the tip of the iceberg since your school board has budgeted funds to cover the state average tuition for out-of-district placement. Should the courts and/or the legislature fail to act on requests before them, we may be faced with enormous budgetary considerations in the near future.

We have addressed ourselves to P. L. 94-142 but a capsule account of New Hampshire statute might be helpful in understanding the extent of responsibility being foisted on local districts.

"If your child is between 3 and 21 years, regardless of handicap, his/her school district must:

1. Provide an appropriate school program operated by the local school districts; or pay the state's average tuition to another approved private or public program.
2. The school district must provide suitable transportation from the child's home to the school and pay up to state average tuition for transportation costs. Or the school district may pay the costs of boarding the child at or near the school.

If the tuition at the public or private school to which the child is assigned exceeds the state's average tuition, then the State Board of Education must pay the excess cost, if sufficient funds are available.

If the State Board of Education refuses to pay

the excess tuition funds a parent's options are:

1. Ask your local board to pay the excess costs;
2. Request a less expensive approved program;
3. Pay the excess costs yourself. After September 1, 1978, programs must be at no cost to parents. - P. L. 94-142."

Several points of contention come about as one reads P. L. 94-142. The law does state that excess costs or any costs will not be borne by parents but nowhere in the law does it state that school districts must pay. Also, the State of New Hampshire in applying for funding from Washington, state in the application that the state will pay for excess costs. Since the legislature has not appropriated enough funds for this program, the plot thickens.

We are all concerned about the high cost of energy both in the private and public sector. Changes must be made in the very near future concerning the method of structuring the school year. In order to simply hold energy usage and costs at the present level we must extend our school year to late June and start school in mid-August. This will mean a change in life style as we now know it, to vacations, or shortened school weeks, during the cold winter months. Your school board has discussed the problem many times but in order to develop a change, a consensus must be reached with tuitioning districts as to the best solution to the matter.

Another area that is present on the horizon, and many people do not recognize or will not recognize, is the dwindling enrollment factor. Although our population is growing slightly in the town, our school enrollments locally are beginning to dip. It is always difficult to eliminate or curtail services when one becomes accustomed to having them, but we must continually evaluate what we have vis-a-vis our student population.

Again, this year, may we express our appreciation and gratitude to the Haverhill Academy Corporation for their contribution of trust funds to the high school. Without these funds we could not provide the enrichment programs in the area of assemblies, field trips and fine arts exhibits for our young people. Those programs have been outstanding and, hopefully, will continue in the future.

May I take this opportunity to express my appreciation and thanks to the Haverhill Cooperative School Board members, faculty, and voters of the district for their support and cooperation during the past year.

Respectfully,

NORMAN H. MULLEN
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my eighth annual report to the voters of the Haverhill Cooperative School District.

On September 1st and 2nd our teachers gathered at Woodsville High for the annual Fall Workshop. The workshop was devoted entirely to School Law and was most ably conducted by Dr. Chris Clark and Mr. Malcolm Bownes from Plymouth State College. Each day of the workshop was divided into two sessions. The first sessions were devoted to lecture and instruction in the various legal topics relating to education. During the afternoon sessions the teachers divided into groups and considered actual case studies involving students, parents and teachers. Some of the topics presented were as follows:

1. Student's rights, due process, property rights, political and social rights.

2. Teacher's rights, due process, property rights, and political and social rights.
3. Academic freedom and curriculum development.
4. Legal consideration growing out of Parent-Teacher-Student relationship.
5. Student supervision, student instruction, teacher liability, student liability.

I would like to note that the opening session was highlighted by a talk by Mr. Raymond Burton, Bath School Board member and member of the Governor's Council. Mr. Burton spoke about the educational picture at the State level and also drew upon his experience as a principal and classroom teacher.

The teachers' reaction to this activity was overwhelmingly favorable and I would like to take this opportunity to commend Dr. Clark and Mr. Bownes for an excellent presentation.

During the month of April 1978 Supervisory Union #23 will be visited by an evaluation team from the State. The purpose of this visit will be to assess our readiness to implement the new laws relative to education of the handicapped which will become effective next fall. We are reasonably confident that we will be prepared because we already have in operation the necessary components to implement the new laws (Placement Team, educational plan, Prescriptive Teacher, Social Worker, Speech Therapist, etc.).

A great deal has already been written about our responsibilities relative to the education of the handicapped but I would like to point up an aspect of this law that is becoming of greater concern to educators. Most educators can accept the idea of an appropriate education for handicapped students. Modifications in instruction, instructional materials, and in classroom facilities to accommodate special students is not really new. In fact, these

modifications have been part of good classroom management for many years. If promised federal aid and state funding materializes, these responsibilities should be fulfilled without undue expense and adjustment of educational resources.

The aspect that gives concern to many, however, is explicit parts of the law that charges the school with the responsibility of providing not only an appropriate program for handicapped students but also requires us, in some cases to bear the expense of correcting or ameliorating the handicapping condition. In the view of many educators this is an exorbitant demand and should be relegated to individual citizens or other public agencies. This issue is now being contested in the courts and will merit our close attention.

In his report, the Superintendent cites the state mandated competency tests to be offered in grades four, eight and twelve. It should be noted that at present our teachers are at work developing a series of objectives in each subject area and at each grade level. These we hope will enable us to develop competency tests at every grade level. We hope that these tests will motivate students to strive for higher levels of achievement. For teachers these outlines and tests should enable us to prevent needless duplication of effort in the curriculum and a more efficient coverage of basic skills.

In past reports I have expressed some concern over the arithmetic computation scores on our yearly achievement tests. I am happy to report that in the tests given last spring our children in grades one through eight scored an average eight months above grade level. Our math achievement now compares favorably with our performance in the reading language areas. Our compliments to the administration and staff for their efforts in reinforcing this important area of instruction.

During the months of November and December three of our school lunch programs were evaluated by the State Department of Education. All programs evaluated received a commendation for their high percentage of participation and for the quality of the lunches served. Some helpful suggestions were provided relative to improving our menu planning. Our compliments to the lunch workers on their high marks in the evaluation.

My thanks as always to the School Board, Staff and the voters of the Haverhill Cooperative School District for their support.

Respectfully submitted,

HAROLD J. HASKINS
Assistant Superintendent of Schools

TO: Superintendent of Schools
Haverhill Cooperative School District

FROM; Principal - Woodsville High School

I hereby submit my annual report of Woodsville High School for the school year ending June 17, 1977.

The philosophy and goals of the educational process at Woodsville High School remains basically the same as in previous years. It is the school's responsibility to provide the necessary learning experiences that will provide our students with sufficient knowledge, adequate skills, appropriate attitudes and values that should enable them to contribute on a constructive level to their families, communities and society in general.

Of significant importance is the student's awareness of his responsibility within the educational framework. He must, through positive and appropriate guidance from school personnel and his parents, take full advantage of the educational opportunities that are available to him.

As stated in previous reports, this administrator is a strong advocate for the support and continuation of a comprehensive extra-curricular program. It is quite apparent that students who become involved in some aspect of the activity program gain not only social and cultural benefits but also such participation seems to give them greater incentive to succeed academically as well. Individual motivation and self-discipline appear to be beneficial attributes gained by students involved in our extra-curricular program.

We, at Woodsville High School, are extremely proud of the achievements of our students involved in drama, music, athletic programs and the various club and class activities. We feel no need to apologize for the successes our students

have had over the years as such accomplishments come only through much sacrifice and dedication by the students. An equal amount of credit and appreciation must be extended to the coaches, advisors for their valuable role within the activity program.

Staff changes at Woodsville High School for the 1977-78 school year were:

Mrs. Jane O'Brien replaced Mrs. Barbara Fullerton in the English department; Mr. Michael Ackerman replaced Mr. Orrin Clark in the physical education program; Mr. Timothy Whalen succeeded Mrs. Mary Sue Kelly as the guidance counselor; and Mr. Douglas Gabel became the instructor in the new vocational agriculture program.

In conclusion, I wish to thank the Superintendent and Assistant Superintendent of Schools, the Haverhill Cooperative School Board, the faculty of Woodsville High, the citizens of the Town of Haverhill and surrounding communities for their continued support and understanding.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Donald R. Evans", written in a cursive style.

Donald R. Evans

HAVERHILL ACADEMY JUNIOR HIGH SCHOOL
PRINCIPAL'S REPORT

January 16, 1978

Haverhill Academy Junior High School opened on September 7, 1976, with an enrollment of 177 (103 eighth graders and 75 seventh graders), with 3 additions and 6 withdrawals during the year.

Our teaching staff remained the same as it was last year.

The usual athletic programs were carried out - soccer, basketball, baseball and softball as well as cheerleading groups. We had the opportunity to experience tournament play at Blue Mountain and at Oxbow which added to the experience of the players.

Open House was observed in October with a large turnout of parents and friends. It is always enjoyable for school officials to welcome parents and friends as we are assured that the public is interested in the schools.

Mr. Riach and his "Quiz Group" again went to WCAX-TV for the Current Events Quiz. The experience these people gather from this is immeasurable.

Lynn Fabrizio was our school spelling bee champion and competed in the Grafton County Spelling Bee Contest. Once again this is good experience for our young people.

A number of assemblies were held during the year and this year for the first time an assembly was held for us (and others) at the Community Building under the auspices of the Haverhill Corporation and fund handled by that group. It was well worth the time and money expended as the Junior High people had an opportunity to broaden their "educational horizons".

The eighth grade left money for library books,

a record player and new equipment. These funds have been and are being expended for the purposes they requested. It is extremely gratifying that these people upon graduation will donate funds for the betterment of their school.

At our final assembly, held inside because of the rainy condition, the following awards were presented: (list attached)

Please feel comfortable in visiting the Junior High at any time to observe the daily routine and visit classes if you wish. It is a privilege for me to have the opportunity to serve you and many thanks for your cooperation and kindnesses.

Respectfully submitted,

Howard W. Evans

JAMES R. MORRILL ELEMENTARY SCHOOL
REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my annual report of the James R. Morrill Elementary School for the year ending December 31, 1977.

The school enrollment as of the writing of this report is 212 pupils. The enrollment by grades is as follows: Kindergarten-28, Grade 1-37, Grade 2-26, Grade 3-31, Grade 4-28, Grade 5-31, Grade 6-31. Grade 1 is split into two sections because of the large number of pupils.

There are four new staff members this year. Mrs. Janet Chapell, a graduate of Plymouth State College, is teaching the other section of grade 1. Miss Rosamond Bailey, a graduate of Lowell State College, replaced Mrs. Beth Mayette, who resigned, in grade 3. Mr. Dedrick Garner, a graduate of Plymouth State College, has replaced Mrs. Theda Cote, who retired, in grade 6. Mrs. Wendy Boutin, a graduate of the University of New Hampshire, is an aide in the Special Education Program.

The school lunch program under the direction of Mrs. Mary Allbee, is feeding approximately 140 pupils and teachers each day.

An Open House was held on Tuesday evening, October 25, so that parents could visit the school and talk with the teachers. Approximately 80% of the pupils were represented by a visiting parent.

A testing program was conducted on all levels in the school. Metropolitan Readiness Tests were given in the Kindergarten. The complete battery of the Stanford Achievement Test was given in Grades 1-6 and the Otis-Lennon Mental Ability Test in Grades 3 and 6.

Two awards were presented to sixth graders last June. The James R. Morrill Award was presented to Scott Simano and the Phyllis Page Memorial Award to Geraldine Boudreault.

Christmas and Spring music programs were presented by the Music Department and were attended by large audiences.

The Special Education Program involves pupils who are having difficulty doing the work in the regular classroom because of learning disabilities. Several tests are used to pinpoint the learning difficulties of these youngsters. These include reading analysis tests, phonics inventory tests, psycholinguistic tests, achievement and intelligence tests. A full time aide is working in this program with the Special Education Teacher.

I wish to thank Mr. Mullen, Mr. Haskins, the School Board and all members of the school staff for their constant cooperation throughout the year.

Respectfully submitted,
George C. McKelvey
Principal

WOODSVILLE ELEMENTARY SCHOOL
REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I submit herein my annual report of the Woodsville Elementary School for the year ending December 31, 1977.

The school enrollment as of the writing of this report is 183 pupils. The enrollment by grades is as follows: Kindergarten-28, Grade 1-26, Grade 2-34, Grade 3-19, Grade 4-28, Grade 5-22, Grade 6-26. Grade 2 is split into two sections because of the large enrollment.

There have been some changes in the teaching staff this year. Miss Susan Rahne, a graduate of Cortland State University, has replaced Mrs. Leslie Garner in Kindergarten. Mrs. Garner has replaced Mrs. Lillian Frazer, who retired, in grade 3. Mrs. Mary Anne Robinson is teaching the other section of grade 2. Mrs. Sandra Ayer, a graduate of the University of Maine at Farmington, is an aide in the Special Education Program.

Approximately 120 pupils and teachers are taking part in the school lunch program. The program is under the direction of Mrs. June Chamberlin.

An Open House was held on Tuesday evening, October 18, so that parents could visit the school and talk with the teachers.

A testing program was conducted on all levels in the school. Metropolitan Readiness Tests were given in the Kindergarten. The complete battery of the Stanford Achievement Test was given in grade 1-6 and the Otis-Lennon Mental Ability Test in grades 3 and 6.

Christmas and Spring Music Programs were presented by the Music Department and were attended by

large audiences.

The Special Education Program involves pupils who are having difficulty doing the work in the regular classroom because of learning disabilities. Several tests are used to pinpoint the learning difficulties of these youngsters. These include reading analysis tests, phonics inventory tests, psycholinguistic tests, achievement and intelligence tests. A full time aide is working in this program with the Special Education Teacher.

I wish to thank Mr. Mullen, Mr. Haskins, the School Board and all members of the school staff for their constant cooperation throughout the year.

Respectfully submitted,
George C. McKelvey
Principal

Report of School Nurse
Haverhill Cooperative School District
1976-1977

Number of Pupils Examined 911
Number of School Visits 299
Number of Home Visits 322

Communicable Diseases Reported
Chicken Pox 21
Mumps 1
Scabies 1
Strep Throat 16

Number of Pupils examined by Dr. C.D. Eastman 319

Tests done:

Teeth	619	462

Haverhill Cooperative Dental Clinic:
Pupils examined 71
Pupils treated 34
Total number cleaning 1

Total number fillings:
Permanent teeth 107
Adaptics 6
1 Surface 78
2 Surface 23

Total number extractions:
Deciduous teeth 40
Permanent teeth 3
Total number visits 92

Eight mornings, 3 hours per morning.
Clinic paid for with Matching Funds - School
District and State

One morning, 3 hours
Paid for by Haverhill Unit Salvation Army

The Haverhill Memorial VFW Auxiliary gave forty dollars (\$40.) to help pay for transportation to the Dental Clinic. Everett Sawyer took one group of children each morning. I want to thank Everett and the Auxiliary for their contribution to the success of the clinic.

The Woodsville Cohase Lions and Lionesses sponsored the preschool vision and hearing clinic held at the Woodsville Elementary School October 29, 1976. This clinic was very well attended and several children were found to need further testing and correction of vision and hearing defects. Miss Natalie Smith, R.N. from the Division of Public Health was in charge of the clinic. I want to thank the Cohase Lions and Lionesses for sponsoring this annual clinic. I also want to thank the nurses that helped with the screening tests.

My thanks to the Cohase Lions Club for their continued support of our Sight Conservation Program. Several children received eye examinations and glasses during the year.

Mrs. Stark conducted her dental program in the fourth grade at Morrill Elementary and Woodsville Elementary. Mrs. Stark does a survey of all fourth grade pupils at the beginning of the program. Pupils are taught to brush and floss their teeth. There is a program of several weeks where the children brush and floss their teeth right after lunch. Mrs. Stark

returned for a follow-up survey and was pleased with the improvement she found.

A series of immunization clinics was held at the Woodsville Parish House. These clinics are sponsored by the Home Health Agency.

A First Aid Course was offered to eligible juniors and seniors at the High School during the year.

I want to thank anyone that donated clothing during the year.

Doctor Eastman who has done our school physicals for many years retired November 1, 1976. We appreciate his many years of service and many contributions to our school health program and wish him a long, healthy, happy retirement.

Several meetings were attended during the year.

I want to thank the principals, teaching staff, parents and students for their help with and support of the School Health Program.

Respectfully submitted,

Muriel LaMott, R.N.

SUPERVISORY UNION #23

REPORT OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendent.

One-half of the supervisory union expenses is prorated among the several school district of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during the 1977-78 school year, will receive a salary of \$24,300.00 made up as follows: \$2,500.00 to be paid by the State Department of Education and \$21,800.00 prorated among the several school districts. The Assistant Superintendent will receive a salary of \$20,000.00 which is made up as follows: \$2,500.00 to be paid by the State Department of Education, and \$17,500.00 prorated among the several school districts. Allowance for travel within the union for the Superintendent is \$3,000.00 and for the Assistant Superintendent, \$2,000.00 also prorated as stated above.

The table below shows the proration of salaries and travel to each school district:

SUPERINTENDENT'S	
	<u>SALARY</u>
Bath	\$ 1,066.02
Benton	172.22

FIVE HAVERHILLS CONTINUED...

John Hazen was born in Haverhill, Massachusetts, in 1731 on the north side of that town. This area was north of the boundary line between New Hampshire and Massachusetts, which was established in 1741. That part of Haverhill, Massachusetts which was north of the new boundary between the two states soon became the town of Hampstead, New Hampshire, which it remains to this day.

The life story of John Hazen is briefly told elsewhere in this booklet. He became vitally interested in an area known to the Indians as "the Cohos Region" which he saw for the first time in 1760. He later obtained a charter for the new town which was named Haverhill at his request, after his native Massachusetts town of the same name.

Today there are two other Haverhills in the United States. One is in Ohio and was settled by a party led by Asa Boynton who went "outwest" from Haverhill, New Hampshire. The other is Haverhill, Iowa, settled by men from Haverhill, Massachusetts. Thus it appears that all the Haverhills are related. The four in this country are off-springs of Haverhill, England. Haverhill, New Hampshire has two ancestors and one descendant. Haverhill, Massachusetts has one ancestor and three descendants. These are little known facts which should be of real interest to all present and future residents of HAVERHILL, NEW HAMPSHIRE.

Taken from the Haverhill Bicentennial Booklet written by H.K. Davison, Esq.
